CAPTAIN'S LOG

Compatriots;

It has been a very busy Spring for the Waddell Chapter MOS&B. The 150th Anniversary commemorations of the Battle of Bentonville and the Surrender at Bennett Place gave us a great opportunity to set up an information and recruiting booth for the MOS&B and SCV. In working these events, we have discovered that there is a great need for a booth like this. It has been many years since the SCV has had a recruiting booth at various historical events, and the response is very positive. We were able to engage hundreds of people in discussing our heritage and organizations, and hopefully gain a few new recruits along the way. I personally have enjoyed meeting new like-minded people, and working hard to tell our story. We also discovered that the Sons of Union Veterans of the CW have been setting up a similar booth for many years, and I take it as a personal challenge to make sure our booth is at every event possible. We will be making some improve-

ments and making a bigger and more attractive booth for upcoming events. We would like the SCV to participate as much as possible in working at these events, but as descendants of the Officer Corps, it is up to us to take the lead on projects like this. We will be setting up the booth again at Bennett Place May 23-24 for their annual Memorial Day event. Try to volunteer a few hours in the booth, you'll be glad you did.

Make plans now to attend our next meeting on May 20. Our speaker is Donna Snipes who will give a presentation on Mrs. Lee. Please bring a guest to the meeting, either a potential member, or someone who just enjoys good fellowship, good food, and a good program. Our chapter is continuing to grow, and we are always looking for potential new members.

As we move into summer, we will be hosting the NC Society Convention in Raleigh on June 13, and a few of us will be attending the National Convention in July. Later in the year, we will be scheduling a "field trip" outing as we have

done in the past. We have also discussed an ongoing Chapter project to identify Confederate graves in Wake County. We recently learned that the Raleigh SCV has done some work in the Raleigh City Cemetery, but this is still a very big project. If you are interested in working on this research project, please let me know.

Thanks to everyone who has worked to get involved in our recruiting booth and other projects. It is great to see the Captain James Iredell Waddell Chapter working hard to preserve our heritage and tell the story of our ancestors. See you at our meeting on May 21, and have a happy North Carolina Secession Day on May 20.
